

Session Program

17-22 Aug 2026

**12th Workshop on Flavor Symmetries and
Consequences in Accelerators and
Cosmology (FLASY 2026)**

Flavor 3

Commodore Hotel
Gyeongju

Saturday 22 August

08:55

Flavor 3

Session | **Location:** Commodore Hotel, Gyeongju

09:00–09:30 **Non-invertible selection rules in string theory and particle physics**

Speaker

Tatsuo Kobayashi

09:30–10:00 **Flavor Physics of quarks and leptons in non-invertible symmetry**

Speaker

MORIMITSU TANIMOTO

10:00–10:30
Flavor Physics with Non-invertible Symmetry: Radiative Neutrino Mass and Beyond

Speaker

Prof. Hiroshi Okada

10:30
