

FJPPN 2024 report

2024 Joint Workshop of FKPPN and TYL/FJPPN

Date: 2024. 5.22~24

Place: KISTI, Daejeon, Korea

Marc Besançon
Shoji Hashimoto
Emi Kou

FJPPN 2024 report

- **29** proposals among which 13 are new! (20% increase w.r.t. 2023, approaching to the same level as pre-Covid).
- **Isabelle Ripp-Baudot** finished her co-director term: Emi Kou took over since January 2024.
- **We all appreciate Isabelle's 5 years leadership!!!**
- **Creation of TYL** in 2023 (Karim Trabelsi and Shoji Hashimoto as directors): more opportunity for French-Japan collaboration!
- **New agreement on FJPPN** : KEK-IN2P3-Irfu (and Universities, Paris-Saclay, Strasbourg and Grenoble)

FJPPN's mission

Network Activities

The IRN activities includes:

- Information sharing and networking among the participants
- Organization of an annual workshop
- Evaluation and seed financing of collaborative projects
- Attribution of a yearly Young Investigator Award for a PhD student or a post-doc
- Allocation of a Female Scientist Prize with Ochanomizu University
- Organization of the Rikejo camp for young female high school students in Japan
- Support of Student or Early-Stage Researcher Secondment

Other activities can be added in the course of the program.

Little bit of history...

- 2006 FJPPL as LIA (followed by FKPPPL, FCPPL, FVPPL)
- 2008-2009 FAPPS (-> 2010-now: AEPSHEP)
- 21 May 2009 : name -> FJPPL-TYL
- 2012-now: Rikejo camp
- 2013-now: TYL female scientist prize
- 2016-now: TYL young investigator award

Website renewal: Visibility !

2024 Joint Workshop of FKPPN and TYL/FJPPN

Thank you !!!
