

CosPA 2015

Monday, 12 October 2015 - Friday, 16 October 2015

Lecture Building, KAIST Munji Campus, Daejeon, Korea

Scientific Programme

Plenary and Parallel Sessions about subjects:

CMB and Large scale structure

Particle Astrophysics

Inflation and Cosmology

Particle Physics and Dark matter

IBS Session with:

Center for Axion and Precision Physics Research (CAPP)

Center for Theoretical Physics of the Universe (CTPU)

Center for Underground Physics (CUP)

Public Lecture (in Korean)
