

, CAU Neutrino School (CANU)

Monday, 6 July 2020 - Wednesday, 26 August 2020

Scientific Programme

Neutrino Physics.

Neutrino Experiments

Particle-astrophysics Experiments

Dark Matter Experiments

Neutrinoless Double-beta decay Experiments

Sterile Neutrino Experiments

- Please install software yourself.
- Journal club at lunch time (Dosyrock meeting) : □□ □/□
- Special lectures : □□ □/□
- Morning sessions : lectures and discussions
- Afternoon sessions : Group activities
- Presentations and Reports
