

## **Some recent results in the search for ultralight bosonic fields**

*Thursday, 17 June 2021 17:20 (40 minutes)*

I will discuss the recent progress with a magnetometer-network search (GNOME), NMR searches (CASPER), atomic-spectroscopy searches, and some “fifth-force” searches.

**Presenter:** BUDKER, Dmitry (UC Berkeley/Mainz U.)

**Session Classification:** Plenary 8
