

Sterile Neutrino Search at Underground mini-Workshop

Friday, 2 July 2021

Session 4 - Virtual (10:10 - 11:40)

-Conveners: Jose Alonso

time	[id] title	presenter
10:10	[15] A compact linear accelerator system for neutrino physics and nuclear astrophysics	PARK, HyangKyu
10:40	[16] Status and a new compact design study of accelerator based neutron source in Korea	BAHNG, JeongBae
11:10	[17] Low energy ion accelerator at underground	CHOI, Seonho
