

EMIS 2022 at RAON

Monday, October 3, 2022

Session 1 (9:00 AM - 10:40 AM)

time	[id] title	presenter
9:00 AM	[111] The SCRIT electron scattering facility at the RIKEN RI Beam Factory	OHNISHI, Tetsuya
9:30 AM	[50] Nucleosynthesis in Multinucleon Transfer Reactions	HEINZ, Sophia
10:00 AM	[20] Multi-element beam delivery with the TRIUMF resonant ionization laser ion source	Dr LASSEN, Jens
10:20 AM	[130] Prospects for high resolution in-source spectroscopy using cross laser / atom beam geometry: Nuclear structure investigation on actinium isotopes with ISOLDE's new ion source PI-LIST	HEINKE, Reinhard
