

PPC 2023: XVI International Conference on Interactions between Particle Physics and Cosmology

Monday, 12 June 2023

Plenary: Cosmology 1 - Science and Culture Center (11:00 - 12:30)

-Conveners: Jinn-Ouk Gong

| time | [id] title | presenter |
|-------|--|----------------------|
| 11:00 | [117] Inflation in Cosmology | Prof. PALMA, Gonzalo |
| 11:30 | [116] Density perturbation in Cosmology | HWANG, Jai-chan |
| 12:00 | [118] Recent topics on cosmology with primordial black holes and their implications for particle physics | KOHRI, Kazunori |
