

PPC 2023: XVI International Conference on Interactions between Particle Physics and Cosmology

Thursday, 15 June 2023

Parallel: Neutrino 3 - 305 (14:00 - 16:00)

-Conveners: Pouya Bakhti

| time | [id] title | presenter |
|-------|--|-----------------|
| 14:00 | [115] Search for interactions of neutrinos with Dark Matter from distant point sources with the IceCube Neutrino Telescope | KANG, Woosik |
| 14:20 | [95] Investigating Lorentz Invariance Violation with the long baseline experiments P2O and DUNE | MASUD, Mehedi |
| 14:40 | [152] Probing sterile neutrino dark matter in the PTOLEMY-like experiment | YOO, Seong Moon |
