

# Nuclei in the Cosmos (NIC XVII)

## Thursday, 21 September 2023

### High-density matter (11:30 - 12:00)

time	[id] title	presenter
11:30	[57] Building relativistic mean-field models for neutron stars in light of the PREX-2 and CREX results	Dr MIYATSU, Tsuyoshi
11:45	[120] Supernova equation of state and neutrino-nucleon reaction rates based on bare nuclear forces	Dr TOGASHI, Hajime
