

2023 Meeting of the Division of Particles and Fields of the Korean Physical Society

Thursday, 21 December 2023

Field & string theory - 28□ (13:00 - 14:30)

-Conveners: Jaewon Song

time	[id] title	presenter
13:00	[11] Quantum Field Theory and Four-manifold invariant	Prof. KIM, Heeyeon
13:30	[12] Mapping the Phase Space of Supersymmetric Gauge Theories using Explainable Machine Learning	Prof. SEONG, Rak-Kyeong
14:00	[13] Binary Black Holes and Quantum Off-shell Recursion	Dr LEE, Kanghoon
