

The 29th International Nuclear Physics Conference (INPC 2025)

 Daejeon Convention Center, Republic of Korea  May 25-30, 2025

Second Circular

The 29th International Nuclear Physics Conference (INPC 2025) will be held in Daejeon, Korea on May 25-30, 2025. It is hosted by the Center for Exotic Nuclear Studies (CENS) and the Center for Underground Physics (CUP) at the Institute for Basic Science (IBS) and the Center for Extreme Nuclear Matters (CENuM) at Korea University. The INPC series is overseen by the International Union of Pure and Applied Physics (IUPAP).

Topics

- Nuclear Structure
- Nuclear Reactions
- Hot and Dense Nuclear Matter
- Fundamental Symmetries and Interactions in Nuclei
- Hadron Structure and Reactions
- Nuclear Astrophysics
- Neutrinos and Nuclei
- Hadrons in Nuclei
- Applications Based on Nuclear Physics
- New Facilities and Instrumentation
- Quantum Computing and Artificial Intelligence in Nuclear Physics
- Outreach and Science Education

The program will include oral and poster presentations of contributed papers.

Important Dates

Abstract submission opens	October 1, 2024
Conference registration opens	November 1, 2024
Deadline for abstract submission	November 30, 2024 * The deadline may be extended.
Acceptance Notification	February 3 - 10, 2025
Early registration closes	March 31, 2025
Regular registration closes	May 15, 2025

Conference Website

<https://inpc2025.org/>

We invite you to visit the official INPC 2025 website for comprehensive information on abstract submission guidelines, registration instructions, the schedule, venue, travel, excursions, and accommodation. You will also find a link to the Indico platform for abstract submissions, the scientific program, and registration.

Call for Abstracts

We are currently receiving abstracts for INPC 2025 opened on October 1, 2024. Abstracts can be submitted until November 30, 2024. All submissions will be reviewed by session conveners and the Scientific Committee, and notifications of acceptance will be sent between February 3 and February 10, 2025.

Abstract submissions for both oral and poster presentations must be made via our dedicated Indico page, accessible through the official INPC 2025 website or the link below.

Please ensure that you create and log in with your IBS Indico account before submitting your abstract. Detailed instructions for creating an account are available on the [conference website](#).

Registration Fee

Conference registration opened on November 1, 2024. Early registration is available until May 31, 2025. All registrations for INPC 2025 will be handled through the Indico platform.

The registration fee includes access to the welcome reception on May 25, lunch on May 26-27, the conference banquet on May 29, and light refreshments during poster sessions. Accompanying persons may also register and will receive a name badge, conference goodies, lunch on May 26-27, and access to both the welcome reception and banquet.

Participant Category	Early Registration (November 1, 2024 - March 31, 2025)	Regular Registration (April 1 - May 15, 2025)	On-site Registration (May 25-30, 2025)
Full Registration	650 USD / 870,000 KRW	750 USD / 1,000,000 KRW	750 USD / 1,000,000 KRW
Student Registration	400 USD / 530,000 KRW	500 USD / 660,000 KRW	500 USD / 660,000 KRW
Accompanying Person	300 USD / 400,000 KRW	350 USD / 450,000 KRW	350 USD / 450,000 KRW

Committees

We have successfully invited 90 distinguished and senior scientists in nuclear physics to join the International Advisory Committee (IAC) for INPC 2025. Additionally, we have invited 36 active domestic researchers in nuclear physics to join the Local Organizing Committee (LOC). The complete list of IAC and LOC members, along with detailed information, can be found on the official INPC 2025 website.

Venue

Established in 2008, the Daejeon Convention Center (DCC) is located next to the Daejeon Expo Science Park. DCC is both accessible and appropriately remote from the busiest sectors of Daejeon, offering an immersive and comfortable experience for the conference participants. Numerous conferences and conventions are held regularly at DCC, which features a grand ballroom, an exhibition hall, and 20 meeting rooms of various sizes for all sessions of the scientific program of INPC 2025. A separate board room for VIP guests and committee meetings is also available. Established in 2008, the Daejeon Convention Center (DCC) is located next to the Daejeon Expo Science Park. DCC is both accessible and appropriately remote from the busiest sectors of Daejeon, offering an immersive and comfortable experience for the conference participants. Numerous conferences and conventions are held regularly at DCC, which features a grand ballroom, an exhibition hall, and 20 meeting rooms of various sizes for all sessions of the scientific program of INPC 2025. A separate board room for VIP guests and committee meetings is also available.

Accommodation

Approximately 810 rooms in various hotels near the conference venue have been secured for INPC 2025 participants. Starting November 1, you can book rooms at hotels within a 3-minute walking distance from DCC: I-Hotel, Hotel ICC, and Lotte City Hotel Daejeon, or at hotels within a 15-minute drive, such as Good Morning Residence Hotel HUE and Residence Hotel Line. Shuttle bus service will be available for participants staying at hotels located outside the walking distance.

Additionally, around three more hotels within a 15-minute drive will become available for reservations in early January. Please do not be anxious if you are unable to book rooms well in advance.

Please refer to the INPC 2025 website for details on accommodation options, locations, and room rates.

Travel

If traveling from countries with visa-free status with Korea, participants should apply for a Korea Electronic Travel Authorization (K-ETA) before boarding the flight or ship destined for Korea. Once approved, the K-ETA is valid for 3 years and can be re-used for future visits. Recent visitors with K-ETA may check the validity of the existing authorization. Note that the duration of K-ETA is independent from the permitted number of days for short-term visits to Korea.

Link to K-ETA: <https://www.k-eta.go.kr/portal/apply/index.do?locale=EN>

On the other hand, participants from certain countries may require a visa to travel to Korea. Please plan your visa application in advance, so that the visa may be granted on time.

For convenient transportation options to reach Daejeon, the conference venue and your accommodation from your arrival point in Korea, please visit the INPC 2025 website for guides and details.

Excursions

As an honored tradition, the INPC 2025 excursion is one of the major Conference highlights. It offers attendees the opportunity to meet and greet, reminisce, discuss, and make new friends in an informal atmosphere, while enjoying and sampling the local delights. For the INPC 2025 in Daejeon, Republic of Korea, we are expecting 1000+ attendees, and there is much to see in Daejeon City and beyond. Therefore, we are providing 6 excursion options for attendees to choose from:

Excursion Date: May 28th (Wed)

- **Course A** - RAON Facility Tour in Daejeon (14:00-17:00, max 120 people, free of charge)
- **Course B** - Daejeon Nature (14:00-18:30, free of charge)
- **Course C** - Cheongnamdae (private villa used by former Presidents of Korea) (14:00-18:30, max 80 people, free of charge)
- **Course D** - Donghaksa Temple (14:00-18:30, free of charge)
- **Course E** - Jeonju Cultural Excursion (14:00-20:30, the charge is TBD)
- **Course F** - Gunsan Ocean (14:00-20:30, the charge is TBD)

Please indicate your preferences through the registration process as early as possible; the deadline is March 31, 2025, 23:59 KST. Reservations for excursions will be made on a first-come first-served basis.

Social Events

The following social events are planned:

- Registration and welcome reception in the afternoon and evening of May 25. Finger food, snacks and light dishes will be provided.
- Poster session in the afternoon of May 27. Snacks, fruits and beverages will be provided.
- Excursion in the afternoon of May 28. For those taking part in excursions, meal options will depend on the excursion choice.
- Dinner banquet accompanied by entertainment performance in the evening of May 29. The banquet will be in the form of an inclusive buffet or a course meal.

Diet

A wide range of food and beverages will be served at INPC 2025. Within walking distance from the conference venue, there are numerous restaurants featuring both Korean and international cuisines. A famous bakery in Korea, present only in Daejeon called “Sung Sim Dang” is also in close proximity. Participants with special dietary restrictions and conditions may contact the LOC, and they will be accommodated through the contracted Professional Conventional Organizer (PCO).

Prizes and Support

At INPC 2025, winners of the IUPAP Early Career Scientist Prize 2025 will be announced and will present their achievements. In addition, awards for the best oral presentation and poster presentations of student participants will be given.

Through the support by the IUPAP C-12 commission, students and early-career scientists requiring financial support for participating in INPC 2025 are encouraged to submit applications to the LOC. The procedure is as follows:

- Submit an abstract for a scientific contribution and provide the abstract number.
- Register to the conference and provide a registration number.
- Provide evidence of origin.
- Submit a list of recent publications.
- Describe briefly your need for financial support.

Please note that not all requests for financial support will be granted, and individual support will not cover all the expenses.

Sponsors and Exhibitors

Prospective sponsors and exhibitors of INPC 2025 are encouraged to visit the conference website for details on the sponsorship classes, degrees of acknowledgement throughout the conference, exhibition booth locations/specifications and benefit packages.

Contact

Please contact us through one of the email addresses below, and we will be happy to assist.

- inpc2025admin@ibs.re.kr
registration, accommodation, social events, visa
- inpc2025program@ibs.re.kr
