

## 1-2. By airport bus

The airport bus to Daejeon runs every 20 or 40 minutes. For more details, please visit: <https://www.airport.kr/ap/en/tpt/busRouteList.do>. You may choose the menu as “Choongchung” and next “Daejeon.”

Terminal 1 bus stop is on the 1st Floor No.11 in front of the arrival terminal and Terminal 2 bus stop is on Traffic center Basement 1 No.5.

Route information

The bus which leaves the airport arrives in Daejeon first at Daedeok Culture Center located at DoRyongDong (도룡동), then near the Government Complex Building as the second stop before terminating at the Daejeon Express Bus Terminal. There may be a short break in a highway resting area before getting to Daejeon. **Note that right after the toll gate of the high way, the bus may stop briefly, but this stop is not an official one. So please do not count this stop as first stop.**

So, in summary: brief (informal) stop right after the toll gate --- Do Ryong --- Daejeon Government Complex Building --- next stop

Once the bus exits from the high way, please get off at the second stop **Daejeon Government Complex Building** (in Korean, 대전정부청사) which is the convenient stop to take a taxi. From the airport to Daejeon, it takes roughly 2 hours and 30 minutes or less with no traffic.

You can also buy the tickets at the vending machine.

Note that there may be an airport bus with “Daejeon and Sejong”, 대전(세종). This bus also comes to Daejeon Government Complex Building, but it will take more time. It is not recommended to take this bus since it is a bit confusing. **So please don't take the airport bus with “Daejeon and Sejong”, 대전 (세종).**
